Uwaga! Zasilacz, który jest dołączony w zestawie musi zostać podłączony do urządzenia podczas przeprowadzenia rejestracji.

2) Należy nacisnąć na ikonę „**Personal Center**” w prawym górnym rogu.

3) Wybierz „**Register**”.

The screenshot shows a mobile application interface for user login. At the top, there is an orange header with the text "User login". Below the header, there are two input fields: "Username" with a person icon and "Password" with a lock icon. A "Login" button is positioned below these fields. At the bottom of the form area, there are two links: "Forgot password" on the left and "Register" on the right. The "Register" link is circled in red. The bottom of the screen features a black navigation bar with icons for back, camera, home, recent apps, and VCI, along with a status bar showing the time 17:12.

The screenshot shows the "Register" screen of the mobile application. The orange header now says "Register". Below the header is a progress bar with three steps: "Account information" (active), "Contact information", and "Register success". The main form area contains four input fields: "Username" (with a person icon), "Password" (with a lock icon), "Confirm password" (with a lock icon), and "Email(password retrieve by Email)" (with an envelope icon). A "Next" button is located below these fields. At the bottom of the form area, there are two links: "Back to login" on the left and "Forgot password" on the right. The bottom of the screen features the same black navigation bar and status bar as the previous screen.

The screenshot shows a mobile application interface for user login. At the top, there is an orange header with the text "User login". Below the header, there are two input fields: "Username" with a person icon and "Password" with a lock icon. Below these fields is a large grey button labeled "Login", which is circled in red. At the bottom of the login section, there are two links: "Forgot password" on the left and "Register" on the right. The bottom of the screen features a black navigation bar with icons for back, camera, home, app drawer, DP, and VCI, along with a status bar showing the time 17:12.

- 8) Jeżeli zalogowałeś się bez żadnego problemu to oznacza, że urządzenie zostało zarejestrowane poprawnie.

* Hasło można zmienić za pomocą „Forgot password”

The screenshot shows the same mobile application interface for user login. The "Login" button is no longer highlighted. Instead, the "Forgot password" link is circled in red. The "Register" link remains visible to the right. The bottom navigation bar and status bar are identical to the previous screenshot.
