Grade 11 (80kg for 200,000 cycles)
Extended Guarantee options available

SPECIFICATIONS

Height: 92mm
Thickness: 14mm/2.7mm
Load: 80kg

LOADPRO

3D Adjustable Hinge

ISO 9001 Cert No: Q 09355

New from Nico, the LOADPRO 3D Adjustable Hinge is the ideal solution for high performance applications. Featuring low-friction bearings for smooth door opening, it offers guaranteed reliable, maintenance-free operation.

Manufactured in the UK, the Nico 3D Hinge is fully adjustable in three directions for precise positioning and fixing. For ease and speed of installation, the patented design allows the hinge to remain fixed to the door during the adjustment process.
